Malachi

---

C1 It's the final prophet of the Old Testament. It's a message to Israel. It's a message discussing God's love. But the rescued people are already becoming dissatisfied. They are giving blemished sacrifices . They don't give their best.

C2 Again, the prophet is looking for reverence toward The Lord. The priests have left the Lord's way(7-8). A major reason why prayers are not being answered is because of the treachery toward their wives (14).

C3 The word goes out for them to repent. This book appears to be pre-exilic. But what it is, is a reminder of how much Jesus is needed. Repentance is needed and God, again promises His mercy.

C4 Finally the Sun of Righteousness is on the way. They are to obey. The second Elijah is also on the way.
